

ASCA Ambulatory Surgery Center Association 2018

Boston, MA

April 11th - 14th, 2018

Booth #414

Don't Miss the New Advanced Sessions

Get even more valuable ASC education at ASCA 2018. This year, ASCA's annual meeting will offer 17 new advanced sessions on topics such as strategic planning, cyber security, complying with the latest federal regulations, crossing the generational divide, financial benchmarking and more.

Get the Latest Regulatory Updates

ASCA 2018 is your opportunity to hear directly from industry leaders about the latest regulatory news affecting your ASC. ASCA's annual meeting brings together thousands of ASC professionals and industry experts from around the country, giving you the opportunity to share ideas, discuss best practices and explore new ways to improve and grow your ASC. This year's meeting also features more than 60 educational seminars, an exhibit hall with 200+ vendors and countless networking opportunities.
