

The **Axia Utility Cart** is a fully welded stainless steel cart. The Axia Utility Cart offers a 3-sided 1-inch lip on both the top and middle shelf to prevent items from rolling off. The utility cart comes with a push handle for easy transport.

## Features

- 3-sided 1" lip (on top & middle shelf) to keep items from rolling off
- The Front side turned down (the top & middle shelf) for easier access
- Open design for easy cleaning and sanitizing
- Push handle
