

Soma offers the **Integra Mayfield 2000 A2000** skull clamp refurbished up to 50% below the cost of new. Like most Mayfield skull clamps, the A2000 offers 3-point fixation with a slim design and rocker arm that helps apply equal pressure to both pins.

Features

- Single pin allows for more exposure to the operative site.
- Greater patient positioning with the rocker arm.
- 3-point fixation.
