WHY SOMA?

EQUIPMENT VARIETY

Soma carries over 20,000 pieces of equipment from all major brand names, allowing us to cater to all equipment specialties.

PRICE AND WARRANTY

Up to 50% below the cost of new equipment with the same service and warranty contracts as the manufacturer.

ESTABLISHED MARKET

Most of America's largest hospitals are Soma customers. (Mayo Clinic, MD Anderson, NY Presbyterian, Vanderbilt, UCLA, Orlando Health)

We work closely with many HealthTrust IDN's including HCA, Tenet / USPI, CHS, CHRISTUS, etc. As well as, DeNovo surgical centers and hospital expansion project managers.

RENTAL OPTIONS

Soma offers short-term, long-term, and rent-to-own options.

ISO 13485:2016 CERTIFIED

Soma is an ISO 13485:2016 certified company. We are held to the same standards as original equipment manufacturers (OEMs). Each piece of equipment comes with a test report and checklist that details the refurbishing process.

All our technicians are certified biomed and fully trained in their product specialty.

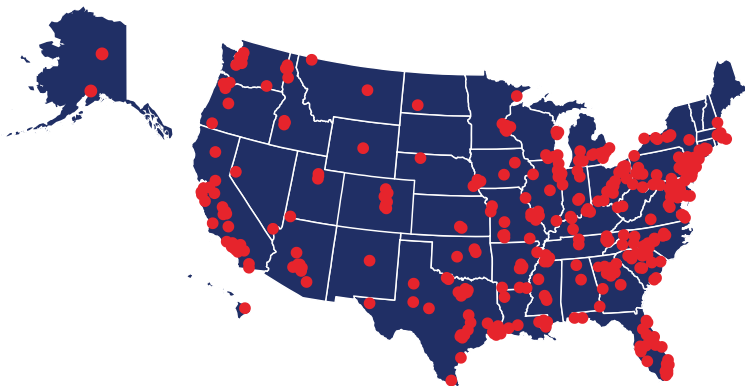

ENGINEERING TEST REPORTS

Every piece of equipment leaves our facility with a comprehensive Engineering Test Report (ETR). These test reports, unique to Soma, are developed by our own certified biomedical engineers. Their extensive training, data, testing, and years of experience, aid them in creating ETRs which conform and certify that the unit is working per Original Equipment Manufacturer standards.

HOW OLD IS YOUR EQUIPMENT?

At Soma Tech our equipment can vary from new to several years old depending on the make / model. However, age is irrelevant with our certified refurbishment process, our equipment is restored back to the original manufacturer's specifications. Our thorough process includes disassembly, repair / replacement of any faulty / damaged parts, calibration, and finished with a full cosmetic restoration.

Field Service Network

FIELD SERVICE NETWORK

Enjoy peace of mind with Soma Tech Intl's established field service network. Soma extensively vets their field service engineers and establishes who will support your equipment before it ships. Technicians can be dispatched for repairs the same or next business day.

WE BUY USED EQUIPMENT

Send us a list, or pictures, and our purchasing department will be in touch. We also offer equipment trade-in credit.

CUSTOMER SUPPORT

Nationwide Support & Service
Parts and expertise to support everything we sell for 5-10 years beyond sale.
Soma supports equipment that has been discontinued by the manufacturer.
